CALL FOR PAPERS

**The Third International Conference on “Finance and Accounting for the
Promotion of Sustainable Development in Private Sector”
(FASPS-3)**

Attn:

- *Universities, Institutions, Organizations, Enterprises*
- *Scientists, Lecturers, Researchers, Managers*

1. Objectives and contents of the conference

According to the Resolution of the XIII Communist Party Congress, there have been multiple viewpoints and directions on state management in which there are significant viewpoints on private economy. Continue to promote thinking and awareness of private sector development and make private sector a “major motivator” of the socialist-oriented market economy in Vietnam. However, there are various difficulties and challenges ahead for private sector in the years to come. In 2021, Academy of Finance schedules to coordinate with other schools and institutes under Ministry of Finance to organize an international conference on “Finance and Accounting for the Promotion of Sustainable Development in Private Sector” (FASPS-3). With goals to achieve recommendations, analyses, assessments, policies and solutions regarding finance and accounting to promote the sustainable development of private sector, and ensure the overall goal to turn Vietnam into a high-income nation by 2045, the conference will focus on following topics:

- *Financial and Accounting Policies for the Development of Private Sector; Human Resources and Business Environment for the Promotion of Private Sector; Views and Perception of Private Sector; Economic Management, Public Finance Reform, Administrative Reform for the Benefit of Private Sector Development; Private Sector, Conditions, Measures and Orientations of Private Sector Development, Factors Determining the Development of Private Sector; ...*
- *Situation, Role and Contribution of Private Sector to the Economic Growth of Vietnam; Private Sector in the Context of Integration, Industrial Revolution Industrial Revolution 4.0 and Participation into Free Trade Agreements, etc. The Role of the State and other topics related to the development of private sector; Economic Models (Sharing Economy, Digital Economy, Night-time Economy, Circular Economy, etc.) and the Development of Private Sector, etc....*

2. Keynote speaker
